Environments Affect Emotions

Behavioral scientists have unearthed clues about how design spaces can promote creativity or lead to relaxation and social intimacy. Discover how to employ these techniques to create rooms which make rooms feel more comfortable and welcoming.

Living Luxuriously - *Designing Your Dream Kitchen*

If you love to cook, the past year has given most of us plenty of time to practice and hone our skills. Now, with a return to hosting friends and families in your home again you want to be able to showcase all of your new recipes and skills, but the kitchen isn't quite living up to your expectations.

During this workshop we will examine those things you should consider when setting out to go from merely having a kitchen that works to transforming it into your dream hospitality prep space!

Hosting A Golf Outing, Award Dinner or Conference? We Want To Work With You

As a member of the local business community Küster Design is interested in partnering with you on events which bring professionals together.

About Küster Design

As one of the midwest's premier interior design firms, Küster Design specializes in creating one-of-a-kind interiors that are as functional as they are beautiful.

We believe interior design is more than decorating or choosing accessories.

Through the use of space, light, materials, and distinctive furnishings, we tailor our custom interior designs to reflect your unique personality and style.

Leveraging the latest technology, Kuester now offers both in-person and virtual design sessions.
